

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

POEMS

CLOVER

The clover's grassy breath,  
To him who listeneth  
    Upon the pastured lea,  
Is like the monotone  
Of some far sheep-bell, blown  
    From tranquil Arcady.

The airs of that last rose,  
That late and crimson blows  
    And frosted dies,  
Smell, as in green and dew,  
The first, first rose that blew  
    In waking Paradise.

What fragrance, ages hence,  
Shall tell the listening sense  
    Of men who guess—  
Men whose far lives shall range  
On paths remote and strange—  
    Our happiness?
